Hi,

I would like to propose that Baltrasna is removed from Ratoath Municipal District and included in Ashbourne Municipal District.

Ashbourne is part of the Ashbourne community. Baltrasna residents are served by the sports clubs, church, shopping and schools in Ashbourne. The Welcome to Ashbourne sign is currently part of Ratoath Municipal District. By including Baltrasna in the Ashbourne Municipal District this feature will be a part of the Ashbourne community.

There are 312 electors in Baltrasna.

Kind regards,
Cllr Sean Smith
Ashbourne Municipal District
Meath County Council
