Dear Sir/ Madam

I am writing to you to make my submission on the proposed changes to Cork City and County boundaries We presently live in Crosshaven Co Cork which in 2014 for the first time was changed to the Brandon Kinsale electoral area. ..this was an extremely unsettling move for the population locally,as not alone did we move political boudoir so but because of the change we also changed our engineering division.this had a huge negative impact on Crosshaven and areas as at all stages Crosshaven will be and should be aligned with Carrigaline,which was proven in 2017 when we went back into Carrigaline engineering div.

We can't afford for the boundary commission to ignore the reality and wishes of the people in Crosshaven and we would propose that the new local authority boundary area being proposed would take in the Cork South Central general election area.

Namely Passage Monkstown Carrigaline Ballygarven Minane Bridge Fountainstown Myrtleville and Crosshaven.

This combined population should then be represented by 7 local councillors which we feel would be the correct quota for the area

Kind regards

Noel Condon
