RE : Revision of Local Electoral Areas

Dear Minister Phelan,

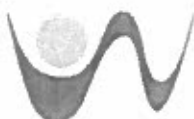

Following a discussion at the meeting of Gorey Municipal District on the 19th December, the Cathaoirleach and members asked that I write to you to express their concerns over any decision to reduce the size of larger local electoral areas. Members would like it known that the 4 electoral area concept works extremely well in County Wexford. Long standing relationships exist between local communities and the districts which are integral to local identity. The members are opposed to the creation of an additional electoral area on this basis.

I look forward to receiving your comments on this matter.

Yours sincerely,

Amanda Byrne,
District Manager,
Gorey Municipal District.
