To whom it may concern,

I am writing to you to ask that Baltrasna, Co. Meath be reinstated into the Ashbourne electoral area boundary.

Baltrasna is a part of Ashbourne and not Ratoath or indeed any other part of county Meath. I along with several other family members and neighbours, have abstained from voting when Baltrasna is included in the Ratoath electoral area boundary. I feel my vote is invalid as I do live, work or socialise where my vote is sent.

Please consider my request. Many others feel the same in the area.

Your faithfully,

Emily O'Doherty
