To the Boundary Committee.

I am writing out of concern for the current make up of the of the Ratoath Municipal District as it exists at present.

Much concern has been expressed by residents who live in the Baltrasna/ Fleenstown area which is the natural hinterland of Ashbourne.

It would be more suitable through a recasting of the figures to include Curragha / Cabin Hill area which are included in the Ashbourne Municipal District at present and transfer into the Ratoath Municipal District.

Thanking you for your interest.

Cllr. Nick Killian

Independent Councillor, Ratoath Municipal District, Meath County Council.
