Local Electoral Area Boundary Commission 2017
Re Electoral Boundaries in the Parish of Bohermore and Ballybricken

Dear Sir

I am writing to you to express my dissatisfaction with the current electoral boundaries drawn up for the Parish. Now we have three different electoral areas representing our parish

- Adare Rathkeale
- Cappamore and Killmallock
- Limerick City East

As a community whose sole interest is in the welfare of the parish, we would like if the parish be presented as one electoral unit, adhering to existing parish boundaries.

Daily we hear through the media, the political interest in the welfare of rural Ireland and local communities and while this is a laudable aspiration I feel that disjointed representation hinders rather than enhances development in the parish A parish is entity in itself as such should be treated as a single electoral area

I look forward to witnessing a positive response to my recommendation.

Yours faithfully

Thomas Lyons
