Mr Vincent McCormack,

15th February 2018

I would like to make a submission to the Local Electoral Area Boundary Commission on the following basis:

Maintaining the current 20 seat Westmeath Council area I would advocate the following electoral areas:

Mullingar urban: 6 seats

Coole Area: 4 seats

Kilbeggan area: 4 seats (reinstating an area which incorporated Rochfortbridge, Tyrellspass, in the east and Moyvore, Ballymore, Drumraney, Tang, Tubberclair, Rosemount on the opposite side.

Athlone: 6 seats

As Athlone town is set to gain regional capital status it is unfair to incorporate such areas as Ballymore, Moyvore, Loughnavalley, Streamstown in a very urban orientated electoral area.
