Dear Sir/Madam

I wish to make representation to the boundary committee which will decide the boundaries of the local election boundaries. It is important that Newport, Co. Tipperary remain firmly within the local governance of Tipperary Co. Council. The population of Newport use the Co. Council Office of Tipperary Co. Council at Nenagh when in need of local services such as Motor Tax, road repairs. The Tipperary Co. Council Offices of Nenagh are newly built and it is important that these offices are used to maximum effect. It is important that Newport remain within the Nenagh Electoral District.

Thanking you

Margaret Lee
Secretary of Nenagh Newport Fine Gael.
