Hi ,

just to state I am satisfied with the present boundaries relating to Cappamore/Kilmallock Municipal district and the number of seven Councillors, If you want to include Ballybricken Caherconlish I would have no objections. All councillors are working together well for the benefit of the entire area in a balanced and fair manner. Never change what is working and successful. We receive praise from all stakeholders.

Thanking You,
Kind Regards,

CLlr, Ger Mitchell Cathaoirleach/Mayor of Cappamore/Kilmallock Municipal District.
