Dear Committee,

We write to you on behalf of the residents of Mill Race in Duleek. Could you please look favorably at reassigning our estate to the Laytown Bettystown Area as the rest of our village/town is in this area and the residents do not seem to be getting a proper representation from the Ashbourne Area.

We have signatures included from many of the residents requesting this. [List of signatures received].

*We the residents of Duleek would like to be in a position to vote for councillors based in the elected area of Laytown/Bettystown. Under the terms of section 4 Local Electoral Boundary Commission Guidelines.*

Yours sincerely.

Amanda Smith  
Secretary.
