## To whom it may concern

I live in carrigaline, my address is carrigaline, I shop in Carrigaline, our son attends school in carrigaline, I vote in Carrigaline. So would you kindly allow me to vote for people in Carrigaline, at a previous voting when I entered the voting booth I didn't know one single person on my sheet. They were all from Brandon, Kinsale and other country village. I have nothing to do with them. So please allow me to vote for people in my area, that I know the work they do locally.

Thanks in advance Florence Keary
