To whom this concerns.

1/ I would like to make submissions for boundary changes in the Bandon Electoral area. The Bandon Kinsale Electoral area is greatly populated and needs at least 2 extra Councilors to meet the needs of the Community it represents.

2/ That the new Council boundary would take in Newcestown out as far as quarry cross. The people of this area are only 7 miles from Bandon but are been represented by Macroom Council many miles away and they strongly feel they are in no mans land.

3/ Also the people of Crossbarry have a strong association with West Cork and serious consideration should be given to back bringing them back under the Bandon Electoral.

4/ The people of Kinsale and its surrounds as well as Innishannon Eastwards are happy to be represented under Bandon Electoral Area and I would propose this would continue.

Regards

Michael Collins T.D
